We LOVE Christmas in Perth. It might be our beautiful barrels decorated with fresh greenery, our 10,000 Christmas lights in our downtown trees, the Christmas music playing in the streets during the month of December or the 5 BIA Christmas events that begin in mid-November. We have events for the shoppers, martini and food lovers, a great family event and finally a Christmas concert with the fabulous Ennis Sisters. And this is just the BIA events not to mention the long list of events put on by the Town of Perth and other community organizations. Perth is the place to be this Christmas season! Before the Christmas festivities begin and you are busy decorating your home, baking your family's favourite Christmas cookies or writing those letters or cards that everyone loves to receive, now is the time to step away and rejuvenate your spirit before the hectic days of Christmas.
